

Medicare Lead Script (MailPro Medigap 66+)

Hello __, my name is Andrew and I'm calling you back from the Senior Benefit Center right here in (City). The reason I'm calling is because you had filled out a request in the mail to get some information for Medicare programs and CHANGES that affect you!

It says here your birthday is (XX/XX/XXXX) and your wife's is (XX/XX/XXXX). Is that correct?

I am the local field underwriter assigned to your file and I will drop off the information and see what programs you qualify for. This will take about 10 minutes.
